

Air-Tech Air Conditioning & Heating, Inc. Earns 2021 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Pasadena, CA, March 4, 2022 – Air-Tech Air Conditioning & Heating is proud to announce that it has earned the home service industry's coveted Angie's List Super Service Award (SSA). This award honors service professionals who have maintained exceptional service ratings and reviews on Angie's List in 2021.

“These outstanding businesses have helped homeowners not only maintain their homes, but also evolve them into spaces that can handle life, work, school and entertainment under one roof,” said Bryan Ellis, senior executive at Angi. “Our homeowners’ consistent positive reviews make it clear: these are the top pros in our network. Congratulations to this year's Super Service Award winners.”

Angie's List Super Service Award 2021 winners have met strict eligibility requirements. Pros on Angi qualify for the award by obtaining 3 or more services-performed reviews in the previous year, maintaining a current and lifetime GPA of at least 4+ stars. The SSA winners must be in good standing with Angi and have undergone our verification/screening which include maintaining an exceptional rating in overall grade, recent grade and review period grade. The SSA winners must be in good standing with Angie's List and undergo additional screening.

“Keeping your home comfort great, since 1988”

Air-Tech Air Conditioning & Heating has been listed on Angie's List since 2006. This is the 16th year Air-Tech Air Conditioning & Heating has received this honor.

Service company ratings are updated continually on Angie's List as new, verified consumer reviews are submitted. Companies are rated in multiple fields ranging from price to professionalism to punctuality.

For over two decades Angie's List has been a trusted name for connecting consumers to top-rated service professionals. Angie's List provides unique tools and support designed to improve the local service experience for both consumers and service professionals.
