FOR IMMEDIATE RELEASE

March 1, 2022

Waste Management. We see the trucks in our neighborhood, but do you actually know what happens when the trucks return back to the depot? Join Don Taylor-Stewart, Public Sector Solutions Representative for Waste Management, as he shares what the job really is. He will join the Arcadia Community Coordinating Council meeting on March 7, 2022 to tell all about it.

Don Taylor-Stewart has been San Gabriel Valley Public Sector Solutions Representative for Waste Management for the last three years. His job involves recycling consultations for businesses and multi-family properties regarding Assembly Bills 341, 1826 and Senate Bill 1383.

To learn more about Waste Management, their programs and what goes into trash, join the Arcadia Community Coordinating Council on March 7, 2022.

For reservations contact Linda Clelland, President, ACCC.
