

## Mid-Year Minimum Wage Increases

JUNE 2022

### - NEW UPDATES -

Paying hourly employees based on current state and local minimum wage rates is critical. Keeping track of that information can be challenging, which is why we've prepared a breakdown of state and local minimum wage changes for easy reference.

This material is current as of May 31, 2022 and is subject to change. Some states change minimum wages mid-year rather than at the beginning of the year.

The list of new local minimum wage rates listed below may not be all inclusive. For the minimum wage information provided by local jurisdictions, links have been provided to assist you with identifying whether these minimum wage rates apply to your company.
