

Arcadia High School Orchestras and Choirs

SUPPORT THE ARTS

HELP US ENHANCE PUBLIC SCHOOL MUSIC EDUCATION!

The Arcadia High School Orchestras and Choirs are bringing over 200 students to Florida, where they will compete at the WorldStrides Festival at Universal Studios and experience what it's like to be a studio musician through a special soundtrack session with a Disney cast member at Disney World in April 2023. These unique opportunities will give students musical, educational, and social experiences that they will treasure for a lifetime. Help make this magical trip possible by sponsoring our trip while also promoting your business! Proceeds will benefit all the students on this trip and give scholarships to those with financial hardships.
