

Subaru Loves the Earth[®]

JOIN THE MOVEMENT: HARD-TO-RECYCLE COLLECTION EVENT

Sierra Subaru of Monrovia is proud to partner with TerraCycle[®] to help keep hard-to-recycle trash out of our local landfills.

As part of our ongoing effort, we have placed Zero Waste Boxes[™] throughout our retailer to make our world a more sustainable place. TerraCycle will then convert the waste into useful new goods for our community, such as benches for local schools.
