

Soundwall Package 10 Project – City of Arcadia I-210

Summary

As part of the Soundwall Package 10 Project, Metro's contractor C.A. Rasmussen, will be installing advance notices at select construction areas along the I-210 in the City of Arcadia. This is in preparation for future construction activities.

Activities will include the setup of traffic control, surveying, and installation of construction area signs. Future activities include the realignment of traffic striping, setting of k-rail (temporary construction safety barriers), and clearing/grubbing operations to clear the work area for future soundwall construction.

Work is anticipated to continue through Thursday, June 15, 2023.

What to Expect/Traffic Control

Westbound I-210 Off Ramp closure at Santa Anita Av anticipated Thursday, June 1 through Saturday, June 2 from 7pm to 6am. On Friday, June 2 through Saturday June 3, from 7pm to 8am.

Westbound I-210 On Ramp closure at southbound Santa Anita Av anticipated Thursday, June 1 through Friday, June 2 from 7pm to 6am. On Friday, June 2 through Saturday June 3, from 7pm to 1pm. Detours:

- Southbound Santa Anita Av: continue southbound on Santa Anita Av, left on Huntington Dr, left onto the on ramp to westbound I-210.

Essential Details

- Work hours: Monday through Friday between 7am and 4pm.
- Installation of advanced warning signage and detour signage will be posted along the route.
- Access for emergency responders will be maintained.
- All ramps will reopen before peak traffic hours each morning.

Noteworthy

Construction is a dynamic process, and it is subject to weather conditions.

Closure dates and information are subject to change.
