

Soundwall Package 10 Project – City of Arcadia I-210

Summary

As part of the Soundwall Package 10 Project, Metro’s contractor C.A. Rasmussen, will continue construction activities along I-210 in the City of Arcadia. Activities include temporary shoulder/ramp closures for clearing/grubbing and demo operations to clear the work area for future soundwall construction. Work is anticipated to continue through 2023.

What to Expect/Traffic Control

Lane reduction in place on westbound Colorado St between Chelsea Rd and Baldwin Av from 7am to 5pm during the week, thru traffic maintained.

Intermittent ramp closures anticipated from 9am to 3pm on Monday, August 28, 2023, through Friday, September 1, 2023. On Tuesday September 5, 2023, through Friday September 8, 2023.

Westbound I-210 On Ramp closures at northbound and southbound Santa Anita Av. Detours:

- Northbound Santa Anita Av: continue northbound, left on Foothill Bl, left onto the westbound I-210 on ramp.
- Southbound Santa Anita Av: continue southbound, left on Huntington Dr, left onto the westbound I-210 on ramp.

Westbound I-210 Off Ramp closure at Santa Anita Av.

Westbound I-210 On Ramp closure at Baldwin Av. Detour:

- Northbound Baldwin Av continue northbound, left on Foothill Bl, left onto the westbound I-210 on ramp.

Essential Details

- Work hours: Monday through Friday between 7am and 5pm.
- Installation of advanced warning signage and detour signage will be posted along the route.
- Access for emergency responders will be maintained.
- All ramps will reopen before peak traffic hours each morning.

Noteworthy

Construction is a dynamic process, and it is subject to weather conditions.

Closure dates and information are subject to change.
