SUPPORT OUR YOUTH

Are you a local business that is hiring or looking for extra help?

Do you want access to pre-screened, work-ready students?

Do you want to work with reliable, highly motivated employees and have extra on-the-job training and support as needed?

About the Transition Partnership Program (TPP) at AHS:

The purpose of TPP is to provide enhanced, coordinated vocational services and support to successfully transition students with various needs into meaningful employment. Through the program, students can receive the following (based on student need, taking into account preferences and interests).

- *Job Exploration Counseling
- *Post-secondary Counseling
- *Workplace Readiness Training
- *Paid Work Experience
- *Self-Advocacy

Our Program Provides:

- Salaries for the students being trained at the job site & Worker's Compensation Insurance
- Liability Insurance while students are on-site
- Pre-screened candidates whose interests and skills are matched to specific job criteria
- Students who maintain satisfactory academic performance
- Post-placement support by our experienced staff
- Specialized on-site job training by a professional job coach as needed

The Transition Partnership Program provides a careful match of worker abilities with employer needs. We strive to link the job opportunity needs of the local community with a suitable student employee.
