

VOLUNTEERS NEEDED

The 2023 Breeders' Cup World Championship will be hosted at legendary Santa Anita Park on Friday, November 3, and Saturday November 4. Join us and become a part of history as the Breeders' Cup brings the Sport of Kings back to Santa Anita Park for a record eleventh time!

We are seeking enthusiastic volunteers for assistance over the Championships weekend. Everything from greeting guests as they enter the facility to assisting our team with day-to-day operations at the racetrack.

There will be several volunteer orientations and training sessions which will occur in October. Please contact us if you are interested as we will look to fill our volunteer needs by the end of September.
