

Watershed Restoration Event

Spring Into Action for Earth Day and Our Watershed!

The Upper San Gabriel Valley Municipal Water District welcomes you, your family, and friends to join us in a collective effort to restore and rejuvenate our watershed. As part of our commitment to the environment and community, we are hosting two watershed restoration events. This is your chance to celebrate Earth Day by actively participating in preserving our planet.

Event Details

Dates: Saturday, April 6, 2024

Time: 8:00 am to 12:00 pm

Location: Meet at the San Gabriel Canyon Environmental Education Center

San Gabriel Canyon Rd.
Forest Rte 2N24, Azusa, CA 91702

Activities: Tree planting and crate tree saplings.

Community Service: Students can earn community service hours.

Important Information

Who Can Join: All Ages Welcome (Adult supervision required for children).

Preparation: Bring drinking water, wear comfortable clothing for outdoor work, and ensure you have transportation for the event's duration.

Note: Volunteers arriving after 8:00 am may miss out on important instructions and activities.

Join us as we work together to protect and nurture the heart of our community. Your hands can make a world of difference. **Be part of this rewarding experience and help us celebrate Earth Day with meaningful action!**
