

# MURALS AND MARIACHIS

Come join Curt, as we embark on a vibrant journey of *art and culture in Los Angeles* during our "Murals and Mariachi" tour. We'll begin by delving into the dynamic art scene of the city, exploring neighborhoods like the *Civic Center*, the *Figueroa Corridor*, and the *Arts District*. Witness the remarkable transformation of once industrial areas into bustling hubs of creativity, adorned with art studios, galleries, and captivating street art. Each mural and installation tells a unique story, providing profound insights into downtown L.A.'s ever-evolving artistic landscape. But our adventure doesn't end there. We'll continue our exploration at *The Broad*, a magnificent contemporary art museum financed by philanthropists Eli and Edythe Broad. The Broad houses some of the most exquisite and valuable artwork on the planet, including pieces by Andy Warhol and Roy Lichtenstein. As the day draws to a close, we'll conclude with a visit to *Casa Sanchez* for an included dinner and Mariachi show. At this renowned Mexican restaurant, you'll be treated to not only a meal, but a real cultural experience. Imagine . . . the melodious strains of the Mexican vihuela, the deep resonance of the guitarrón, the vibrant melodies of trumpets and guitars - This is the essence of Mariachi music, a tradition that has captivated audiences of all ages for generations. Vocalists will enchant you with their musical virtuosity, whether they're center stage or weaving through the restaurant's tables.

*Tour includes: Deluxe Motorcoach, entrance into the Broad, dinner at Casa Sanchez with Mariachi Voces De Mexico show and Curt Tucker as your guide.*
