CONSTRUCTION NOTICE

Parking Lot Slurry Sealing and Re-Striping

ATTENTION BUSINESSES

WHAT

The City of Arcadia has awarded a contract to American Asphalt South, Inc. for the Fiscal Year 2023-2024 Annual Slurry Seal Project. The City parking lot north of Huntington Drive from Santa Anita Avenue to First Avenue will be slurry sealed as a part of this project.

WHEN

Slurry work for the parking lots are scheduled to begin on Tuesday, July 23, 2024, and will be completed by Thursday, July 25, 2024. The work will be staggered to allow parking access. During slurry seal application, the parking lot section being slurry sealed will be closed to all vehicular and pedestrian traffic. There will be available parking at all times. The contractor will notify you at least 48 hours, by door hanger, prior to any work being performed.

WHERE

The slurry seal project for the City parking lots will take place north of Huntington Drive from Santa Anita Avenue to First Avenue.

WHAT TO EXPECT

- “No Parking” signs will be posted to indicate the date, time, and parking area that will be closed.
- No parking or driving will be permitted in the parking lot areas that are being slurry sealed. Emergency and safety vehicles are excluded from this restriction.
- Slurry sealing will not take place on weekends.
- Large delivery trucks will not be permitted to drive in the areas that are being slurry sealed.
- Road slurry sticks to bicycles, cars, clothes, and shoes. Please do not walk, ride, or drive on fresh slurry until the parking lot is open to traffic.
