

You are making a difference for low-income and immigrant youth, families, and seniors!

One of the community members who you've helped is Jack\*, an 11-year-old from China, who embarked on a remarkable journey through AYC's Education and Enrichment Services program. Thanks to generous donors like you, Jack defied many obstacles like his family's language and adjustment struggles in their new homeland. Despite these challenges, Jack's proactive attitude and unwavering dedication to learning were evident. With the tailored approach of AYC's after-school program, which emphasized vocabulary building and engaging group activities, Jack's confidence and communication skills flourished.
