Experience a transformative day of business innovation at the Megamix Expo. **California State Treasurer Fiona Ma** kicks off the event with vital insights on state resources, unveiling unprecedented access to grants, loans, and bond programs that could revolutionize your business growth.

Alexis Salamanca of Ofiso Solutions follows with groundbreaking strategies, showcasing how cutting-edge AI tools are transforming grant writing and marketing excellence. **Scott Landis of Awakened Life** then reveals the secrets to scaling family-owned businesses without compromising personal life, offering a blueprint for sustainable growth.

Building on this momentum, **Rachel Lucero from The Right Team Provider** demonstrates powerful outsourcing strategies that can dramatically boost your business efficiency. **Diana Miranda of Lifeworks Transformational** energizes attendees with transformational training techniques that drive entrepreneurial success.

Concluding this power-packed agenda, **Cybersecurity Expert Luis Yataco of YGT Group** delivers critical insights on protecting your business from cyber threats, ensuring your growth remains secure and sustainable. **Don't miss this exceptional opportunity to transform your business trajectory** with industry leaders who understand your challenges and provide real solutions.
