

Understanding Hernia Symptoms, Causes, and Treatments

Join us for an educational talk on hernia with Sharon Shiraga, MD, a general surgeon with USC Arcadia Hospital, who specializes in minimally invasive surgeries involving the stomach, esophagus and abdominal wall. Dr. Shiraga will discuss common types of hernia, risk factors, and symptoms and why they are often overlooked. Dr. Shiraga will also discuss when surgery is necessary and treatment options.

**Monday
June 30
12:30 to 1:30 p.m.**

USC Arcadia Hospital and City of Arcadia Recreation and Community Services will cosponsor this lecture.

For future lectures, go to our website at www.uscarcadiahospital.org/commoutreach.
