Help Us Rebuild Together

Support *Tosca Fashion* after the devastating Eaton Fire

WE WOULD LIKE TO THANK THE CALIFORNIA CHAMBER OF COMMERCE
FOR THEIR GENEROUS GRANT TO HELP US START REBUILDING

We lost \$900,000 worth of inventory, designs, and costumes in the fire.

Your donation towards our \$200,000 goal will help us rebuild, support the local economy, and start our new educational series where we will teach children and adults essential skills like sewing, bedazzling with rhinestones, and making their own bags and clothes.
