GRAPHIC DESIGNER

POSITION OVERVIEW

We're looking for a creative, detail-oriented Graphic Designer to join our team and bring our brand to life across digital platforms. You will be responsible for designing digital assets, including product infographics, images, and videos.

KEY RESPONSIBILITIES

- Ensure all assets align with brand visual standards.
- Serve as a brand liaison to suppliers, providing feedback to external creators to maintain consistency across all visual materials.
- Design digital assets and prepare final deliverables for upload in the appropriate formats and resolutions.

REQUIREMENTS

- 2–4 years of experience in digital content creation, including product photography, video production/editing, graphic design, and e-commerce content coordination.
- Proficiency in Adobe Creative Cloud (Photoshop, Illustrator, Premiere Pro).
- Strong understanding of visual branding, file specifications, and image optimization for web and e-commerce.
- Excellent attention to detail, organization, and file management accuracy.
- Ability to manage multiple projects and meet tight deadlines.
- Bilingual proficiency in Mandarin and English (fluent in both written and verbal communication).

PREFERRED QUALIFICATIONS

- Familiarity with Shopify product asset management.
- Experience with Digital Asset Management (DAM) platforms (Lytho and Airtable).
- Understanding of metadata, keyword tagging, and accessibility compliance for digital assets.
