

Tools To Take Your Business To The Next Level

## Practical Insights on Payroll, HR, and Compliance

Join Paychex for an interactive Learning Lab designed specifically for small business owners in the Los Angeles area. This session will focus on practical insights around payroll, HR, and compliance challenges, including an overview of key 2026 labor law updates that took effect January 1st.

Hosted by Cameron Rogers at Paychex, and joined by a SHRM Certified HR Business Partner (RSR), attendees will have the opportunity to ask questions, gain expert guidance, and walk away with actionable takeaways they can apply right away.

This session is ideal for business owners looking to simplify people management, stay compliant, and stay ahead in today's evolving business landscape.
