

# PROTECT THE POLLINATORS

FREE

Learn the essentials of creating a pollinator-friendly garden! Participants will learn which plants attract pollinators, the importance of native vegetation, and the factors that impact pollinator health.

## Topics include:

- Elements to creating a pollinator oasis
- Pollinators and the plants that attract them
- Role of native plants in supporting wildlife
- Factors that threaten pollinator health

**VIRTUAL**

.....

**THURSDAY,  
APRIL 16, 2026**

**6:00 PM - 7:15 PM**
