

# Financial Literacy Workshop

In Partnership  
with

## Foothill is Hosting a Community Event:

Our event will bring financial literacy to life with our Money Management Seminar where students will learn the basics of banking and money skills. Attendees will also participate in Bite of Reality: a hands-on money management simulation that gives students a taste of real-world financial challenges in a fun, interactive setting. Each student will adopt an adult persona, complete with a family, a monthly salary, bills, loan debt, and more. During the simulation, each student will visit various tables to purchase everything from groceries, child care, housing, and more.

- Light breakfast will be served
- Raffles and a chance to go in our money machine
- Event is recommended for ages 13-21
- RSVP required to participate
- Space is limited please RSVP by April 10, 2026
- Parents are welcome to stay and observe
