As part of our ongoing commitment to helping small and local businesses access contracts for the Olympic and Paralympic Games, we are pleased to invite you to the third installment of the LA28 Procurement Series.

This virtual session will feature presentations from **LA28** and **AECOM**, LA28's Official Venue Infrastructure Partner for the 2028 Olympic and Paralympic Games, and will focus on the Venue Infrastructure sector. Attendees will receive an overview of known and anticipated procurement opportunities, planned purchasing categories, and projected timelines to help businesses effectively prepare for upcoming Games-related contracting opportunities.
