## **Día de los Muertos at the LA County Arboretum**

Sunday, October 25, 2026 | 4-8pm

ARCADIA, CA. October 14, 2026 — The Los Angeles County Arboretum and Botanic Garden will present its first ever celebration of Dia de los Muertos on Sunday, October 25. As twilight falls, the garden comes alive with a luminous celebration of Día de los Muertos, bringing together art, music, botanical landscapes, and traditions of remembrance.

Guests are invited to wander through an immersive garden experience before gathering at a community altar designed by Selena for a moment of reflection and remembrance. From there, rhythmic music guides guests into a lively marketplace on the event lawn, featuring local artists, makers, and culinary vendors celebrating Día de los Muertos traditions.

Throughout the evening, Catrina-inspired performers and guests with traditional face paint bring the garden to life, while families and friends connect through numerous hands-on creative activities and storytelling inspired by the beauty and meaning of Día de los Muertos.

The evening honors those we remember while celebrating life, culture, family, and the connections that carry traditions across generations.
